

Sprint 1 Report

Major Course Planner

The Planners

1/24/22

Actions to Stop Doing

- Nothing, we have been having consistent progress on researching and designing the environment but want to continue doing so
- Went over meeting times again and agreed our time is fine

Actions to Start Doing

- Set up website and start designing the webpage
- Communicate more regarding working on stories

Actions to Keep Doing

- Learning Firebase/React
- Working on Webscraper
- Learn libraries like Material UI
- Keep meeting in the DSUs

Work Completed/Not Completed

- Completed
 - Webscraper (generally done)
 - Login webpage design
- Not completed
 - Setting up webpage with React
 - Linking with Firebase
- Stories
 - React/Firebase $\frac{1}{3}$ completed
 - Design (Figma) $\frac{3}{3}$ completed
 - Web Scraper $\frac{1}{1}$ completed

Work Completion Rate

- 5/7 stories complete, 2/7 being worked on
- 8 hours total worked (excluding team meetings and DSU)
