

# **Sprint 2 Report**

Major Course Planner

The Planners

2/9/22

## **Actions to Stop Doing**

- Nothing, we have been having consistent progress on creating and designing the webpage and want to continue doing so
- Went over meeting times again and agreed our time is fine

## **Actions to Start Doing**

- Attending and updating burnup chart and Trello more
- Communicate and collaborate more regarding working on stories

## **Actions to Keep Doing**

- Learning Firebase/React
- Coding frontend of webpage
- Designing webpage
- Keep meeting in the DSUs

## **Work Completed/Not Completed**

- Completed
  - Webscraper + firestore
  - Login/signup webpage design
  - course entry page design
  - general main page layout design
  - Login/signup frontend (mostly done)
- Not completed
  - Finish course entry page
  - Fully implementing the signin/signup design
- Stories
  - Frontend registration 3/3 completed
  - Frontend login 3/3 completed
  - Design (Figma) 2/2 completed
  - Data management and Authentication 3/3 completed
  - Frontend course entry 0/1
